

CUTEK®

PROJECT PLANNER

For your specific project based on your selection within the online Project Planner, we recommend the following products and quantities:

STEP 1 ► PREPARE

CUTEK® WOOD REVIVER

Restore old, weathered or stained timber to look like new

STEP 2 ► PROTECT

CUTEK® EXTREME

High performance penetrating oil/stabilizer that works from the inside out to control moisture, and minimise warping, cupping and splitting. CUTEK® Extreme improves the service life, and enhances the natural beauty of your timber.

COLORTONE
