Disclaimer: CUTEK® COLOURTONES ARE NOT COMPATIBLE WITH AND MUST NOT BE MIXED INTO CUTEK® INTERIOR OR ANY THIRD-PARTY PRODUCT.
All colourtones are shown on Victorian Ash and may look different when applied to your specific timber. To maintain your timber's natural colour for longer, choose a CUTEK® Colourtone similar to the natural colour of your timber. Suggested CUTEK® Colourtones that match the natural hue of your timber can be found on our website: www.cutek.com.au
CUTEK® Colourtones can also help alter your timber colour if required (e.g. make your timber look lighter or darker than its natural state). Order a free CUTEK® Colourtone Sample Testpot from our website or your local stockist to test if your chosen Colourtone is right for your project.
